

AUSTIN PARKS FOUNDATION

YEAR ROUND SPONSORSHIP

Austin Parks Foundation (APF) partners with our community to enhance people's lives by improving and preserving our public parks, trails and green spaces. Your sponsorship invests in APF's work to fill the gap between what the City's Parks and Recreation Department can afford and what the growing city of Austin needs. Sponsorship offers brand building, on-site access and recognition opportunities that can be tailored to meet your company's strategic objectives.

WHY SPONSOR?

Companies looking for broad community visibility, especially among family and outdoor audiences, will benefit from year-round sponsorship recognition.

SPONSOR BENEFITS

- Brand visibility on APF digital platforms and at signature initiatives such as It's My Park Day Spring and Fall, and Little Hummingbird Society.
- On-site access to events like Movies in the Park and VIP passes to Party for the Parks.
- Custom volunteer experiences for employees and an early invitation for your team to volunteer with us at ACL Music Festival.

*Due to COVID-19, Year Round Sponsor benefits are subject to change as City of Austin events guidelines are finalized

DIGITAL BENEFITS

As the COVID-19 pandemic has proven, the APF value of being nimble is more important than ever. In addition to traditional benefits we have also put together the following digital benefits for year round sponsors to receive brand recognition throughout our virtual programming and marketing initiatives based on your specific interests. **While our in-person event strategy is evolving with city health guidelines, we will be in touch to discuss final decisions as they are available.**
