

# VOLUNTEER WITH AUSTIN PARKS FOUNDATION

# PEOPLE + PARKS

## Why Volunteer with APF?

Austin Parks Foundation partners with our community to enhance people's lives by making our public parks, trails and green spaces better through volunteerism, innovative programming, advocacy and financial support.

Volunteerism has been at the center of who we are as an organization since day one. We place tremendous value on the individuals, groups and companies that make up our dedicated volunteer corps. Ready to volunteer?

## Community Volunteer Days

### IT'S MY PARK DAY

Join us for this bi-annual, community-led day of service on the first Saturday of March and November. Volunteers will work to improve parks and green spaces around Austin and build community through activations and projects like litter cleanup, tree mulching, invasive species management and more.

Visit [austinparks.org/impd](http://austinparks.org/impd) to learn more.

### OPEN WORKDAYS

On the first Saturday of each month throughout the year, we offer monthly volunteer work days that are open to the community. Check out our monthly calendar for event details and updates.

Visit [austinparks.org/event-calendar](http://austinparks.org/event-calendar) to learn more.

## Custom Corporate Volunteering

Austin Parks Foundation also creates custom corporate volunteering projects for business partners. This is a great way to create meaningful engagement opportunities for employees, while making a difference in the Austin community. Get ready to roll up your sleeves and enjoy a day in the outdoors with your team!

Pricing for customized projects varies on group size and project needs.
